I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

comments: It is very unportant & me that
I be able & purchase perscriptions
through mail in pharmacy from
out of otate. I object & these
restrictions. I also consider it to be
government interference. Thank you
for considering my opinional.
